Sharples offers Client Access to many of their loyal clients. This access is a glimpse at the real time production schedule at Sharples. We can customize user access to the client's needs. Here are some of the highlights:

- ◆ User friendly
- ◆ Real-time information
- ◆ Copies of packing slips with tracking numbers
- ◆ Check on your job status in real time information
- ◆ Search histories of orders
- ◆ Hierocracy of login access to different users within your organization
- ◆ Reference sheets to help with tooling construction
- ◆ QA report copies from our probe measuring
- ◆ And much more
